Alicia's Story

My name is Alicia and I am a self-taught chef who has a passion for quality Indonesian food.

I started my Indonesian food business with a little warung (a small food stall) in the middle of an industrial complex in Coopers Plains in 2010 (closed in 2019). In January 2014, I opened our Indonesian restaurant in Indooroopilly (closed in 2022). In June 2022, I opened another franchises at brisbane CBD and Westfield mt Gravatt in December 2022.

Using my family recipes, I try my best to serve honest and authentic Indonesian cuisine to my loyal Brisbane diners. Our menu is versatile and constantly evolving, embracing the best of regional and rural cuisines to satisfy even most discerning of palates.

Our wide selection of Authentic Indonesian food draws its inspiration from the street stalls and markets of Indonesia, always using the finest, freshest ingredients and aromatic spices in our cooking. Our motivation is simple: to cook food that we enjoy eating ourselves, served in an Indonesian setting that is pleasant and inviting.

We had the pleasure to serve the President of the Republic of Indonesia, Mr. Joko Widodo, as well as a number of Indonesian cabinet members in different occasions. With that in mind, it is our privilege to serve you all here at Sendok Garpu 'Indonesian Gastronomy Corner' Brisbane CBD and Sendok Garpu Indonesian Street Food in Westfield mt Gravatt!
